for the 3rd Beit Hamikdash.

We felt really bad
and (**couldn't look**)() at what
we had done.

Tisha B'Av is for us to remember
to be (**kind**)() and
(**friendly**)() to those
around us!

ACTIVITY 2

TISHA B'AV RHYME (TRY IDENTIFYING THE EMOTIONS)

The Jewish people were not being kind
Hashem decided and made up his mind.

The Beit Hamikdash had to go,
And the Jews said "oy no"

This made us very sad
And we felt very bad

Every year on Tisha B'Av we say,
We are going to change today!

We are going to treat each with love and be kind,
And always remember, no-one, no Jew gets left behind.

Tisha B'Av is a very sad day,
Because the Beit Hamikdash was taken away.

Today Hashem gave us the present of the western wall,
It stands in Jerusalem; it is very tall.

This is Hashem's special way of reminding us that he cares,
And he will always listen to our prayers.

Hopefully we will have the 3rd Beit Hamikdash soon,
We will then be able to pray there every morning, night and afternoon.

So, remember to be kind every day,
Because that is really the Jewish way.
